Introduction

During 2022-2024, The Union for International Cancer Control (UICC) has launched a new campaign for World Cancer Day under the title 'Close The Care Gap'. Siriraj Cancer Center, as the representative of the healthcare workers in Siriraj Hospital who fight for patients with cancer, also share the UICC's passion to unite and support the cancer community in its efforts to reduce the global cancer burden, promote greater equity and ensure that cancer control remains a priority on the global health and development agenda.

This year our team still worked very hard as usual to deliver the updated information for the 55th Annual Report of Siriraj Cancer Registry. The robust teamwork and enduring support from staff in Siriraj Cancer Center as well as our consultants from departments and faculty made this report complete and achieving the international standard. In the year 2023, we served 3,018,525 out-patient visits, 0.4% increasing from last year. Among those patients, 505,898 visits were new patients. Certainly 6,879 new visits of patients with cancer, 2.8% increasing from last year, were treated in the Faculty of Medicine Siriraj Hospital.

I would like to thank every support from the Medical Record Service, Medical Information Technology Service, Department of Pathology, Clinical Pathology, Microbiology, Immunology, Radiology, Surgery, Medicine, Orthopedic Surgery, Ophthalmology, Oto-rhino-laryngology, Pediatrics, Obstetrics and Gynecology, for kindly providing us with the constructive data and information. I would like to thank members of the Siriraj Cancer Center Organization Committee and all staffs in Siriraj Cancer Center who worked very hard for this trustworthy accomplishment. We should appreciate without doubt that how valuable our life would be. It would be very grateful if any part of the information in this report could be used for improving the quality of service as well as the quality of life for our cancer patients.

Associate Professor Vitoon Chinswangwatanakul MD, Ph.D.

Chairman of Siriraj Cancer Center

Faculty of Medicine Siriraj Hospital, Mahidol University
